JUDGMENT

On the 27th day of February, 2006, the above-captioned cause came on for trial. A jury of twelve persons was impaneled, and heard the testimony of witnesses and received the documentary evidence of the parties. After hearing the arguments of counsel for all parties, on March 1, 2006, the jury returned its Verdict, finding in favor of the defendants on the claims of the plaintiffs, and finding in favor of the plaintiffs on the counterclaims of the defendants. The matter is, therefore, **dismissed with prejudice** as to all claims of all parties, with each party to bear its own costs and attorney's fees.
